Major Tier 1 Retailer selects Envipco as their RVM Technology Provider for all their Scotland locations

Amersfoort, The Netherlands – (October 19, 2022)

Envipco – Major Tier 1 Retailer selects Envipco as their RVM Technology Provider for all their Scotland locations.

Envipco, a global provider of recycling systems and reverse vending machines (RVMs), has been selected by this important Tier 1 retailer to install over 200 RVMs in all their Scotland stores in 2023. After a robust competitive process, this selection represents a strong validation of Envipco's Optima platform designed for large format retailers. The Optima technology has the best-in-class container capacity in a flexible platform accepting all containers through a single in-feed.

Simon Bolton, CEO of Envipco: "This important selection provides continuing proof of the momentum we are building in the Scottish market. We are confident that our organization, our technology and our service offering strongly positions Envipco as a leading RVM provider in this key new deposit market."
